RE: American Nazi Party

the sheet appears a picture captioned "Gordon Link - em (Fearless Fosdick) Hall." Opposite this picture is one of George Lincoln Rockwell captioned "George Link - em (Mighty Mouth) Rockwell". Under the two photographs is a caption stating "Gordon Hall (the Boston sewer rat) who specializes in linking patriots to George L. Rockwell, has finally been nailed at his own dirty game. His long record association with Red organizations would make Alger Hiss look like a cream puff." The lower section of the sheet, in a small box captioned "The Saturday Evening Post" the bulletin states "Political extremist; of which he is a leading example. This time he was grabbed by the police and tossed into jail. On both occasions the first person to spring to Rockwell's defense was a man named Gordon Hall." Below that an excerpt probably from "The Brooklyn Tablet" - "Rockwell is unable to come to New York as there is a warrant out for his arrest. His aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring (probably spring, 1962)." In the center of the bulletin under the caption "The Wanderer" "Gordon Hall of 222 Marlboro Street, Boston, Massachusetts, who met with Nazi Ryan is well known as an anti-Communist who was active in the anti-Nazi league although he is reported as having distributed anti-Semitic literature personally." On the left is a quote reportedly from "The Herald of Freedom" - "Rockwell's aide Seth David Ryan was observed meeting with Gordon Hall at the Hotel Lexington, New York City this spring. Gordon Hall of 222 Marlboro Street, Boston, Massachusetts, is a well known anti-anti-Communist. (Together with Charles R. Allen, Jr., he plotted to use the Anamist Party now known as the National Renaissance Party to smear Senator Joseph McCarthy. A co-conspirator and financial backer was Vladimir Stepankowsky who had been identified as a Soviet Agent.)"

Source stated that the Nationalist Party uses 507 5th Avenue, New York 17, New York as a mailing address but its headquarters are in a printing shop on First Avenue between 70th Street and 79th Street, the printing on the window being UIN Printing.

Re: American Nazi Party

Source further advised that a member of the Nationalist Party in New York, identity unknown, had received some literature from Boston, Massachusetts captioned "Funds for Walker". Source stated that the members of the Nationalist Party believed that the "Funds for Walker" may have been instigated by [redacted] of the American Nazi Party.

b6  
b7C

Source stated that one [redacted] who was active in the Fighting American Nationalists in New York City is not on good terms at present with George Lincoln Rockwell. Source stated that he understood that [redacted] accepted an invitation to speak at the Overseas Press Club at the request of one [redacted] who is associated with an anti-Nazi organization. Source did not know the date of this event.

Source advised that one [redacted] who is reportedly presently associated with the Nationalist Party, New York City, was formerly a member of the Spanish Falange. Source stated that [redacted] resides in a fourth floor apartment on 174th Street, one third block west of Fort Washington Avenue. Source stated that [redacted] is in possession of motion picture films on the Spanish Revolution and [redacted] a member of the Nationalist Party and a friend of [redacted] has stated that at the next public meeting of the Nationalist Party the motion pictures in the present possession of [redacted] will be shown.

According to source, Gilbert DeMello, a former member of American Nazi Party and a present associate of the Nationalist Party is preparing an affidavit concerning [redacted] Communist background.

A characterization of Fighting American Nationalist is attached hereto.

A characterization of the Nationalist Party is attached hereto.

A characterization of the National Renaissance Party is attached hereto.

AMERICAN NAZI PARTY  
ALSO KNOWN AS WORLD UNION OF FREE  
ENTERPRISE NATIONAL SOCIALISTS,  
GEORGE LINCOLN ROCKWELL PARTY

A source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS, stating that he expects to become the President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 15, 1962, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards; talks by Rockwell attacking Jews as traitors to the United States; attempts by Rockwell to form Nazi groups in various cities in the United States; and attempts to form a group of international sympathizers. Rockwell prints large amounts of Nazi literature at American Nazi Party Headquarters, 928 North Randolph Street, Arlington, Virginia.

On June 29, 1962, the State of Virginia revoked the charter of the American Nazi Party.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party." The second source mentioned above advised on September 24, 1962, that Rockwell will continue to carry on his activities, using the name American Nazi Party, and he obtained the charter for the George Lincoln Rockwell Party merely to be able to do business as a corporation.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization.

b6  
b7c

Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individual soon realize the use of the swastika is the best method for getting recognition in their fight against communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued there are three members of the FAN in Washington, D. C. [redacted] National Director, [redacted] and [redacted]

A source advised on February 17, 1961, that in talking to [redacted] Deputy Commander, ANP, [redacted] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

NATIONALIST PARTY

On December 22, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that the Nationalist Party (NP) was formed on September 21, 1961, and is located at 507 Fifth Avenue, New York City. Detective [redacted] stated that the NP has no actual headquarters and utilizes 507 Fifth Avenue, New York City, as a "mail drop".

b6  
b7c

On November 27, 1961, a source advised that [redacted] Public Relations Director of the NP, and LUKE DOMMER control the operations of the NP.

Detective [redacted] advised that [redacted] informed him that the NP was formed on September 21, 1961, "to fight Communism, anti-Christian liberals, and all those opposing the present form of our Constitution."

Detective [redacted] advised that [redacted] had informed him on April 21, 1961, that he, [redacted] had been a member of the American Nazi Party (ANP) and had resided at ANP Headquarters in Arlington, Virginia, from about February 5, 1961, to March 15, 1961. [redacted] discontinued membership in the ANP when he became convinced that GEORGE LINCOLN ROCKWELL, ANP leader was not a true anti-Semite and may even have "sold out to the Jews."

On December 13, 1960, Detective [redacted] advised that LUKE DOMMER attended a meeting of the Fighting American Nationalists (FAN) which was held at the Lotus Restaurant, 228 East 86th Street, New York City, on December 4, 1960.

On January 22, 1962, the above-mentioned source advised that activities of the NP have consisted of anti-Communist demonstrations around New York City, sponsored by other anti-Communist organizations such as the Hungarian freedom fighters. The source stated that the NP, by joining in demonstrations with other organizations, gives the impression that it has a large membership whereas in actuality, the NP has very few members.

NATIONAL RENAISSANCE PARTY (NRP)

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist-organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

[redacted] stated that about two years ago he came across some literature of the American Nazi Party (ANP) which he found on the street. After reading it, he felt that he held the same beliefs as the ANP on the subject of "white supremacy". As a result, he wrote to ANP headquarters in Arlington, Virginia, sending money and requesting additional literature.

[redacted] stated that some time after he first corresponded with the ANP, he was contacted in NYC by [redacted] a member of the ANP, who informed him that the Fighting American Nationalists (FAN) was being formed in NYC as an anti-communist organization and that he felt [redacted] might be interested in becoming active in FAN.

[redacted] stated that although [redacted] never said as much, he, [redacted] felt that FAN was connected in some manner with the ANP because of [redacted] connection with both the ANP and FAN. It was shortly thereafter that [redacted] stated that he, [redacted] deduced that FAN was actually a front organization of the ANP, formed for the purpose of attracting individuals, to join in the fight for "white supremacy", who might otherwise be reluctant to do so if the term "Nazi" were connected with the organization.

[redacted] further advised that in [redacted] he visited ANP headquarters in Arlington, Virginia during a two day weekend and met GEORGE LINCOLN ROCKWELL, ANP leader.

However, [redacted] stated he refused to accept [redacted] excuse for ROCKWELL's behavior. Accordingly, [redacted] made no attempt to further develop [redacted] friendship, and, in fact, attempted to oust [redacted] from FAN activities in NYC.

[redacted] stated that [redacted] had been [redacted] FAN, NYC until approximately one month ago when he broke away from the FAN, NYC faction headed by [redacted]. According to [redacted] wanted to start his own organization, completely divorced from the ANP, but retaining the letters FAN.

[redacted] stated that [redacted] and [redacted] since [redacted] that "they were being used by ROCKWELL for his own advantage" and that ROCKWELL was reaping all the benefits from the FAN picketings without enduring any of the risks. [redacted] stated that he intended to join with [redacted] completely away from the control or domination of the ANP. However, [redacted] stated that he has not heard from [redacted] for over a month despite repeated efforts by [redacted] to contact him.

As a result, [redacted] stated he feels [redacted] is possibly back with [redacted] in FAN and that he, [redacted] has completely alienated himself.

[redacted] stated that although he still believes in the doctrine that the "white man is superior to the negro and the Jew is responsible for the spread of communism throughout the world", he, himself, is no longer interested in "rightist organizations" such as FAN and the ANP because he feels the leaders of such organizations use the members for personal acclaim. He further advised that he has absolutely no intention of ever again participating in activities of organizations such as FAN stating that such groups will always be weak as long as they tolerate the activities of such individuals as GEORGE LINCOLN ROCKWELL.

# F-A-N ACTION

NUMBER ONE

SUMMER ISSUE, 1962

## Baltimore

The rapid expansion of America's fastest growing respectable anti-communist and racist fighting force, the Fighting American Nationalists, is signified by the amazing success story of Baltimore FAN!

Last week, in Westminster, Md., the race-mixing aims of New York-based CORE agitators went up in smoke, with FAN Action Squads igniting the spark that rallied thousands of white folks out of their homes and into the streets to smash the race-mixing plot. FAN Leaders, Charles V. Luthardt, whose father polled considerable votes running on a racist platform for the Maryland Governorship, and other aides, dispatched FAN Action Squads on a house to house canvass to organize local white resistance to the announced invasion of CORE race-mixers.

FAN organizers enlisted the support of an overwhelming bulk of the Westminster white community. On the day of the CORE invasion, aimed at integrating local restaurants, over 150 whites rallied at the first battle sight hours before the demonstrations were scheduled to start. The crowd of enraged white Christians

soon grew to several hundred once FAN commenced counter-picketing the shabbily clad group of race-mixers -- and numbered in the thousands before the evening was over. White workers, businessmen, youths, women with babes in arms -- into the streets they all poured to cheer FAN. Their white community and property rights were being threatened by the savage blacks, and they knew FAN was there to fight in the role of protectors of decency, private property and free enterprise.

Charles Luthardt, Jr., FAN Leader, reported that Whites almost mobbed him, seeking application blanks to join FAN, which he ran out of during the first twenty minutes! The eyebrows of local politicians were noticed to be raised in interest as they averted the sight of thousands of white voters responding to the clarion call issued by FAN.

FAN has now clearly established itself in Maryland as the White Man's vanguard in the fight to save the White Race and private property.

### NEW YOUTH GROUP PICKETS CORE

Fighting American Nationalists' Demonstrate

Westminster, Md., Aug. 11 (Special)—Integrationists seeking to test Westminster's anti-picketing law and "stage a line" at restaurants today ran head-on into a new politically conservative youth organization making its first public demonstration locally.

Called "The Fighting American Nationalists," the new group's members wore red, white, and blue armbands, with the initials of their organization.

#### Pickets Claim Link

A pamphlet which was being distributed said the aims of the organization include "the application of radical tactics and aggressive battling for the conservative and traditional ideals of our American constitutional republic and our white race."

Some of the members of this (Continued, Page 30, Column 1)

### UNIT PICKETS CORE GROUP

Fighting American Nationalists' Demonstrate

(Continued from Page 4)

group carried placards linking the National Association for the Advancement of Colored People and the Congress of Racial Equality with communism and calling race-mixing "anti-Christian."

The president of the group was identified as Robert V. Luthardt, a Glen Burnie teenager and son of Charles V. Luthardt Sr., who was a candidate for the gubernatorial nomination in the recent Democratic primary.

The elder Luthardt was present for the demonstration but said he was not a member of "The Fighting American Nationalists."

Young Luthardt said his group had a permit to picket.

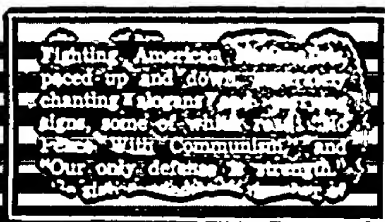

#### Ordinance Not Enforced

As the pickets and sit-in demonstrators spread to various establishments, they were followed by the counter-picketing Nationalists, who in turn were followed by about 150 local persons.

# NEW YORK

Under the dynamic leadership of George Lincke and Jim Bogen, the inspiring N.Y. FAN unit is succeeding in captivating the rebellious spirit among New York City's White Youth and converting it into a highly effective fight for Race and Nation! Increased anti-communist activity by New York's courageous young Fighting American Nationalists -- right in New York City, the heart of communism and subversion -- has spearheaded an anti-communist, pro-White trend among the youth that is spreading like wildfire. Organized and healthy anti-communism and Racism are replacing boredom and mischief-making as the call letters of New York City's tough and bitter White youth.

N.Y. FAN alone dared picket the recent appearances of the race-mixing rogue, Sammy Davis, Jr., and bravely defied the paid goons sent to intimidate them. FAN has persistently picketed Red meetings, peace-creep gatherings, and race-mixing programs -- and has hurt the enemy so badly that the left-wing press has echoed the treasonous communist Worker in smearing FAN as "fascist and anti-Semitic" -- of all things. These charges are discredited on their face by the filthy source from which they emanate!

N.Y. FAN's successful campaign to get the White youths off the streetcorners and into anti-communist, pro-White picket lines will go on!

Box 130, Highbridge Sta.,  
NY 52, NY.

## Penna.

FAN in Pennsylvania is getting off to a flying start thanks to the skillful work of veteran Racist and anti-communist battler, Roy Frankhouser. Robert B. Thomas, head of the Reading based Pa. FAN, informs us that the excellent anti-communist credentials that Mr. Frankhouser brings with him have boosted the moral of the entire unit. Recently FAN sent a strong supporting contingent to an anti-communist rally in Lewisburg, Pa., where communist goons had threatened violence. There were no incidents.

Contact: FAN, Box 1432, Reading, Penna.

## New Orleans

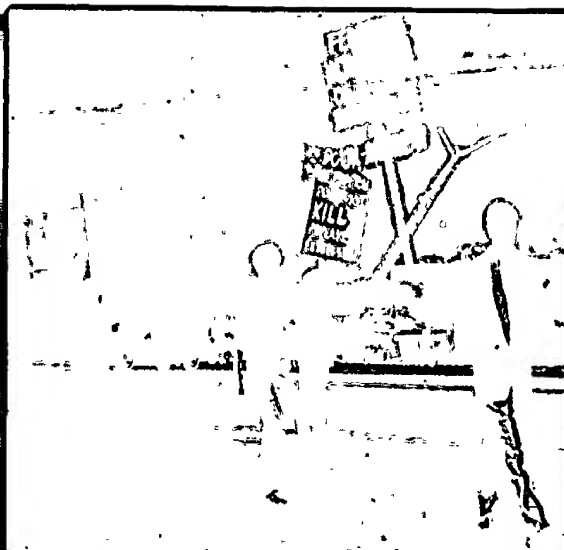

FAN's program for total racial SEPARATION looms brighter and brighter in this Southern city, as Federal pressure, and outside agitation from the nation's press media, make segregation increasingly more difficult to maintain. New Orleans FAN Leader, Ray Leahart, is now organizing a fighting hard core from the increasing ranks of the most radical defectors from the segregationist camps. Whites are realizing in greater numbers than if the Coons are in Africa or somewhere else -- there can be NO INTEGRATION!!!

Contact: FAN, Box 4272, New Orleans 18, La.

## Miami

New fighting spirit is being injected into Miami FAN after Dick Milone and Bob Welke, two among the top officers, returned from extensive strategy conferences at National Headquarters. FAN Leader R. L. Stovall's unit has been kept busy lately, providing legal defense and support for anti-communists who were illegally jailed in Miami and are now appealing.

DETAILS: AT BALTIMORE, MARYLAND

A characterization of the Fighting American Nationalists (FAN) and the American Nazi Party (ANP) are attached to the appendix of this report.

3/8/63

Date \_\_\_\_\_

RICHARD BERRY NORTON, [redacted] Baltimore, Maryland, self-admitted director of the Fighting American Nationalists (FAN) Baltimore Group, was interviewed and furnished the following information regarding the Maryland FAN Group.

b6  
b7c

### I. ORGANIZATION STRUCTURE

The group was first organized in the Spring of 1961 when he met [redacted] who is a member of the American Nazi Party and [redacted] for that group. He expressed an interest in the FAN literature to [redacted] and [redacted] suggested that he, NORTON, start a FAN group in Baltimore which he did. The FAN literature is put out by the George Lincoln Rockwell Group in the Arlington, Virginia area.

### II. OBJECTIVES

The Baltimore FAN was organized and adopted the same aims and goals of the American Nazi Party (ANP) which are primarily for the white race and the constitution of the United States and against mixing of the races and communism. He organizes and teaches the group along the FAN lines and tries to educate as many of the members as possible through study and by suggesting various articles to read which will further explain the aims and goals of FAN.

### III. PUBLICATIONS AND PROPAGANDA

Up until December, 1962, all the literature which he uses and distributes at various activities and/or demonstrations he received from the Rockwell ANP group, in Arlington, Virginia.

The Baltimore FAN group has no printing facilities and has never printed any literature for FAN use. The group is currently trying to arrange to have some printing done but nothing definite has been arranged or decided.

All literature and mail sent out or distributed usually contains the return address of Post Office Box 103, Baltimore, Maryland, which is rented by the Baltimore FAN organization.

#### IV. FINANCES

There are no dues and the only money collected is that which is taken up at the various meetings. There is no regular source of income in the Baltimore Group.

#### V. CHAPTERS

There is only one chapter in the Maryland area.

The officers in addition to himself, CHARLES LUTHARDT, SR., Pasadena, Maryland, Public Relations Director; and [REDACTED]

b6  
b7C

The membership consists of approximately fifty members. He did not have a list available but would furnish one to the FBI, Baltimore, for their information, in the near future.

New members are usually recruited through current members and through the employment of the various members. To those who appear genuinely interested he distributes a five page application requesting considerable personal background data to fill out and return. Once the applications are reviewed he selects the ones that are desirable and they are then considered members.

The meetings are held in a room at the Watson's Preparatory School of Music at 611 Cathedral Street, Baltimore, whenever a meeting is called. There is no regular schedule for meetings but they try to have one at least once a month. There has been no activity of any kind involving the Maryland FAN Group since December 8, 1962. The meetings are generally opened to the public although no Negroes or Jews would be allowed.

The attendance varies from time to time since it is not possible to have all the fifty members available on the same evening.

The membership list is maintained by himself and another members, [REDACTED]

#### VI. MISCELLANEOUS

He does not have any uniforms or insignia that the group uses. The only identification used is an arm band with the letters "FAN" which is used during a demonstration.

3

He does not teach or advocate the use of force or weapons of any kind and any one of the group who engages in this activity or any illegal activity is "thrown out." He has never advocated violent overthrow of the United States Government.

The National Organization of FAN is a very loosely operated organization with little connection between the various chapters or groups other than the name FAN.

Three weeks ago he received a letter from [redacted] (phonetic). New York, in which [redacted] indicated that he was the [redacted] of FAN. He has had no further contact with [redacted] and knows nothing further regarding him.

b6  
b7C

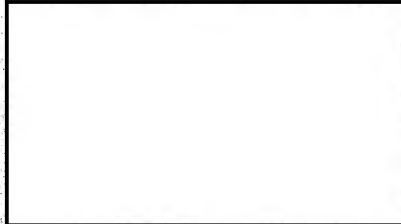

The first activity of the Baltimore FAN group was in August, 1962, when his group counter-picketed the members of the Congress on Racial Equality (CORE) in Westminster, Maryland. Since then his group has demonstrated at the Riverside Park Swimming Pool, Baltimore, in August, 1962; the Fifth Regiment Armory, Baltimore, during President KENNEDY's speech in October, 1962; the appearance of SAMMY DAVIS, JR. at the Howard Theater in Baltimore in December, 1962.

There has been no activity by his group since December 8, 1962 and he has no future plans for his group.

On April 25, 1963, a source who has furnished reliable information in the past, advised that [redacted] in the American Nazi Party (ANP), is currently in New York City and is expected to go to Chicago on May 1, 1963, to assist in the establishment of ANP headquarters in that city.

b6  
b7C

According to the source, it appears that the ANP will leave Arlington, Virginia some time in the near future and establish national headquarters in Chicago, where the ANP is currently in the process of purchasing a building for its headquarters.

The source further advised that [redacted] mentioned above, and [redacted] another member of the ANP, who has been active in Fighting American Nationalists (FAN) activities in New York City, are both "disillusioned and crestfallen" since it appears that George Lincoln Rockwell, ANP leader, has permitted [redacted] to rejoin the ANP. According to the source, [redacted] was extremely bitter over [redacted] reinstatement by Rockwell, since [redacted] had previously quit the ANP and had worked against Rockwell's program.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

"Dear 

"I received your letter on Thursday. I think that I will be able to help picket on Friday March 3 but I don't know for sure. Things in Philadelphia are bad,  she hasn't found a job yet and F.A.N. in Phila hasn't been doing as much as it used to due to lack of F. A. N. operation funds. However, the W. Y. C. in Willow Grove is making progress. The school authorities are really rooted about the ANP and different History teachers have assigned reports on the Nazi Party in Willow Grove and Va. In fact we are getting a hell of a lot of sympathizers but when it comes to members there are only a few of us.

"I have been giving out Nazi literature in the local towns that border Willow Grove for about a month Steday now, and the authorities have tried to stop this. I am not fighting the Borough (government (Star of  sketched above) in Jenkintown, Pa to give us the right to distribute Nazi literature on the streets. We get the answer on Wed next week. If however we are denied the right we will give it out anyhow. I am joining the Cuban II National Front Escambray Alpha 66. Enclosed you will find the address of these headquarters in New York and in Philadelphia.

"The F. A. N. headquarters in Willow Grove has closed up for sometime now. But once and a while we do give out F. A. N. literature and this keeps the Kikes busy in trying to look for our F. A. N. headquarters. I have been sending the A. N. P. in Va, stamps (postage) about \$3.00 a week in them plus money to help them. Well I will come up and so will a few others if we can get a ride up."

However, regular meetings are to be held by this ANP unit in New York City for the purpose of increasing membership in the ANP and collecting monies which are to be sent to ANP Headquarters in Arlington, Virginia.

The source further advised that [redacted] and [redacted] all of whom are to be members of this ANP unit in New York City, will travel to Arlington, Virginia on the weekend of May 25 and 26, 1963 for the purpose of discussing plans for this new unit with George Lincoln Rockwell.

Re: American Nazi Party  
Racial Matters

On June 13, 1963, a source who has furnished reliable information in the past, advised that [redacted] had been designated by George Lincoln Rockwell, [redacted] of the American Nazi Party (ANP), to establish in New York City the ANP of New York in place of the Fighting American Nationalists, New York City (FAN, NYC), Post Office Box 130, Highbridge Station, New York 52, New York.

b6  
b7c

According to the source, FAN, NYC has been dissolved and in its place ANP, New York City will utilize Post Office Box 130, Highbridge Station, New York 52, New York.

Those individuals, formerly associated with FAN, NYC, have been notified of its dissolution and have been invited to join and attend meetings of ANP of New York.

The source stated that ANP of New York will hold no public meetings or participate in any activity of a public nature until authorized to do so by Rockwell.

[redacted] ANP of New York, is to take orders on its operation directly from Rockwell and any activity by ANP of New York will follow only upon receipt of orders from Rockwell.

This same source advised on June 14, 1963, that on June 13, 1963, from 7:30 p.m. to 10:30 p.m., 17 individuals, including [redacted] attended the first meeting of the ANP of New York which was held at the Madison Square Hotel, 26th Street and Madison Avenue, New York City.

Also in attendance were the following individuals formerly associated with FAN, NYC, who now, according to the source, can be considered members of ANP of New York:

[redacted] who presided over the meeting, [redacted]

[redacted] and [redacted]

The source was unable to identify the remainder of those in attendance.

The discussion at this meeting concerned itself with possible cooperation in their respective activities in New York City between the NRP and ANP.

Madole is strongly against such cooperation since he feels that the NRP should act independently of any other organization. However, a successful discussion was held concerning the possible common usage, by NRP and ANP, of lawyers and bondsmen.

The source further advised that Madole stated that the NRP will hold no outdoor meetings in the foreseeable future and will restrict its activities to weekly meetings to be held each Saturday afternoon in the offices of The Truth Seeker, 38 Park Row, New York City.

The source stated that [redacted] informed those in attendance that the ANP of New York will participate in no public activities but will confine itself to weekly meetings at the Hotel Madison Square, 26th Street and Madison Avenue, New York City, unless advised to the contrary by Rockwell.

Characterizations of the ANP, FAN, NYC and the NRP are attached hereto and sources mentioned therein have furnished reliable information in the past.

## APPENDIX

Re: American Nazi Party

### NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated, "National Renaissance Party activities and propaganda are clearly subversive and un-American".

## DETAILS:

A characterization of the Fighting American Nationalists (FAN), the American Nazi Party (ANP) and the Baltimore, Maryland Fighting American Nationalists (FAN) group are attached to the appendix of this report.

BA 157-502

I. ORGANIZATIONAL STRUCTURE

On October 8, 1963, RICHARD BERRY NORTON, former self-admitted leader of the Baltimore FAN group advised that he has disassociated himself with the group. He stated that at the present time, the only officer connected with Baltimore FAN is CHARLES LUTHARDT, the self-appointed director of the FAN group. He continued that [redacted] and [redacted] also a [redacted] are no longer affiliated with the group.

b6  
b7c

He advised further that there is no connection between the Baltimore FAN and any other FAN group and that it is a very loosely run local organization under the direction of LUTHARDT. NORTON described LUTHARDT as a very outspoken and rabid racist. He stated that he does not know of any national leaders of FAN and was not aware of any such leaders when he was actively associated with the group.

On September 23, 1963, Baltimore Confidential Informant T-1 advised that the Fighting American Nationalists was initiated at about September, 1960 as a sort of front group for the American Nazi Party. He said that the FAN name is merely used on occasion instead of the ANP name and that there are no separate officials for FAN. He added that there is no national FAN organization and that the officials of the ANP are also the officials of FAN when the FAN name is used on ANP activity. He explained that GEORGE LINCOLN ROCKWELL, self-styled national commander of the ANP had informed him that the name FAN was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and it being labeled as a Nazi.

On October 11, 1963, Baltimore Confidential Informant T-1 advised that the Baltimore FAN group was a separate organization and not a part of the American Nazi Party. He continued that it had always been a separate organization.

BA 157-502

SUBJECT: FIGHTING AMERICAN NATIONALISTS  
RACIAL MATTERS

DATE: 11-30-63

Re Richmond letter, 9-26-63; subsequent letters from  
WFO, Baltimore, New York and Philadelphia; and report of SA  
[redacted] 10-31-63, at Baltimore.

Information supplied in the above mentioned communica-  
tions reveals that the Fighting American Nationalists (FAN) is  
merely a named used on occasions by the American Nazi Party  
(ANP); that it is not a separate organization, with the possible  
exception of the group in Baltimore, Maryland; and that the  
officers of FAN are the same as the officers of the ANP when the  
FAN name is utilized.

It is therefore, recommended that Bureau authority  
be granted to close the separate FAN case in Richmond and in other  
offices, except Baltimore, and that Baltimore be considered  
office of origin with respect to the detached FAN group in that  
area. All pertinent information from Richmond has been fur-  
nished to Baltimore.

FIGHTING AMERICAN NATIONALISTS  
RACIAL MATTERS  
(OO: BA)

ReSHlet 11-30-63.

It has become apparent from communications from various offices that the Fighting American Nationalists (FAN) has ceased to exist as a separate organization and is merely a name used on occasion by the American Nazi Party (ANP). The only exception to this is the FAN organization operating in the Baltimore territory.

Offices receiving copies of this communication should close their cases on FAN with the exception of Baltimore and Baltimore should continue to investigate the activities of this group.

Richmond should prepare a new characterization for the American Nazi Party for submission for Bureau approval making mention of the fact that the Fighting American Nationalists is merely a name used on occasion by the American Nazi Party with the exception of a group at Baltimore, Maryland. Appropriate sources should be set forth for this statement.

The Baltimore Office should continue to use the characterization of FAN approved 10-16-63.
